Product Description

Nothing looks and feels quite like leather. And no case reflects your personal sense of style quite like the Leather Texture Case. You see, any case can protect a smartphone from bumps and scratches. This one can even project your sense of style and sophistication. The Kensington Leather Texture Case brings the unique look and feel of textured leather to your Samsung Galaxy S® III. And when your Galaxy S III is wrapped in leather, you'll find it not only looks and feels great in your hand, but you can also slip easily into and out of your pocket.

Like all Kensington products, no matter how stylish, we never lose sight of functionality. The Leather Texture Case fits your Galaxy S III perfectly while adding much needed protection against bumps, bruises and scratches. What's more, all ports, camera, and smartphone functions are preserved.

The gorgeous Kensington Leather Texture Case is available in a range of colors to further reflect your personal sense of style and even to accessorize. After all, you change your belt to match your shoes—why not swap your smartphone cover to match as well?

With the Kensington Leather Texture Case, you don't have to sacrifice style to gain the protection you need for your Samsung Galaxy S® III.
